#### NOTICE TO VENDORS OF STORE HOGGS

We are having increased incidence of C.Ovis being reported by abattoirs when slaughtering hoggs. This condition in the carcase of hoggs is caused by worms from dogs which can lead to the carcass being 100% condemned.

Most farm dogs are correctly wormed, but please make certain that your worming programme is up to date and be aware that most incidences of C.Ovis arise from land with public access, footpaths or common land where dogs roam.

Unauthorised dog-walking on your land can cause problems - please be aware.

All ram hoggs need to be declared and sold separate to bunches of mixed hoggs. Any ram hoggs found in a bunch of mixed hoggs not declared to the auctioneers will be subject to a price reduction. We have buyers for ram hoggs so please do not put them in bunches of clean mixed hoggs. Vendors please note - any hoggs not presented correct for sale and not declared to the auctioneers will risk being deducted.

ALL HOGGS PRESENTED IN THE STORE SECTION NEED TO BE TAGGED WITH AN ELECTRONIC SLAUGHTER TAG AS MINIMUM. VENDORS ALSO NEED TO PROVE THEIR HOGGS ARE FARM ASSURED AS THIS HAS BECOME AN IMPORTANT FACTOR.

#### **SHEEP TAGS**

#### \*\* Updated 22nd March 2016 \*\*

- All sheep born on or after 1st January 2015 have to be tagged with one electronic slaughter tag if going to slaughter or to a store market for further finishing. If intended to be kept for or sold as breeding stock they will need to be FULL EID tagged as has been the requirement since 1st January 2010.
- Historic flock (the sheep born before 1<sup>st</sup> January 2010 which have been kept as breeding stock) when
  these come to be moved/sold either as breeding stock or as cull ewes they will NEED TO BE RE-TAGGED
  WITH FULL EID (electronic and same manual number).
- <u>Cull ewe eartags</u> All cull ewes and rams must have FULL EID TAGS to be sold in Hereford Market.
- Hereford Market Auctioneers will <u>not</u> be able to accept sheep for sale which are not tagged correctly.
   Always have taggers and spare tags available in your vehicle.

EAR TAGS - EVERY SHEEP IN THE MARKET MUST BE ELECTRONICALLY TAGGED. IF THEY ARE NOT THEY WILL NOT BE SOLD AT HEREFORD

Eartags and holding numbers - please note that it is essential that the correct holding numbers are entered onto the licence of sheep coming in to the market and also for those sheep moving out. For those with multiple holding numbers the correct ones <u>must</u> be used not <u>merely the main holding number</u> if it is not relevant to that movement. Please note that Hereford Market Auctioneers Ltd take no responsibility whatsoever for holding numbers on licences whether in or out of the market, or notifications to A.R.A.M.S.
