RAM SHOW AND SALES 2018

Sales of rams through the dedicated sheep ring will start on Wednesday 1st August and there will be rams available for sale throughout the whole of August, September and October commencing with the Early Ram Sale through the ring on

WEDNESDAY 1st AUGUST AT 11.30am

All rams are sold as stock getters and are correct in tooth, foot and stones, unless stated to the contrary. All complaints must be notified to the auctioneers on the day of sale before the rams leave the market.

All rams are sold as being fertile and capable of natural service. All complaints must be notified to the auctioneers within 90 days of purchase. As a precaution we would advise that you should never rely on one ram. You should always introduce an alternative as a back up.
