## **CULL EWES - 2389**

*Auctioneers - Matthew Nicholls*

After last week's largest entry ever at Hereford, a very respectable 2389 but much smaller ewes. Trade as expected back on the week but not as much as other markets earlier in the week. Strong well meated and medium sized ewes still a very respectable trade. Smaller ewes the hardest trade but this is expected to level up again over the next few weeks.
