## STORE CATTLE - 95

Although the sale was short in numbers, it was not short in quality or trade. The steers were a lovely trade and for the time of the year the quality was grand with a super run from Mrs L Tomkins & Son that soared to £1200/head for a 600kg Limousin. Others from the same run sold to £1185, £1175, £1170 and £1150. The steers averaged 193p/kg and a very pleasing £1015/head.

The heifers were also a good trade although the quality was not as good as the steers. Heifers sold to £1080/head for a 550kg Limousin from Mrs L Tomkins & Son. Top 20 prices all over £850/head to average £750 to include all types sold. Several smaller and younger types on offer which would hamper the overall average but nonetheless demand was good and more could have been sold.

Any amount of men around the ring and treble could have easily been sold. The fat price is bad, but this didn't really reflect on the store trade today.

## BARREN COWS - 3

A very disappointing entry of cows considering the trade we have seen here in recent weeks. An average of £600/head up to £770. The cows are a good trade - more required next week.

A seasonal entry of bulls and those nice continental types selling very well to £810/head for a 370kg Limousin from M/s Fairclough-Watling, Aberithon (219p/kg). More bulls could have easily been sold on the trade. More bulls urgently wanted every sale.
